I have reserved the above dates for my stay at Alpine Resort of Presque Isle. I hereby authorize charges to be placed on my credit card listed above if any of the following occur:

- 1) I cancel my reservation or ask to have it changed to another date, and Alpine Resort is unable to fill the vacancy created by my cancellation or change; or
- 2) I fail to show up for my reservation; or
- 3) I request that charges I have incurred during my stay be placed on my credit card; or
- 4) I cause damage to physical property of the Alpine Resort during my stay.

I further understand and agree that if either items 1 or 2, above, occur, my credit card may be charged 50% of the customary charges that would have been incurred if I had arrived and stayed for the period I originally reserved. Should items 3 or 4, above, occur, I understand and agree that my credit card may be charged for the total actual charges incurred or total damages that I, or anyone in my party, have caused.
